PETITION TO REVIVE AN ABANDONED APPLICATION

M/S: PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants submit this Petition under 37 C.F.R. § 1.137(a) or, alternatively, under 37 C.F.R. § 1.137(b), for revival of the above-identified application for patent. The application has been abandoned for failure to timely pay the required issue fee.

Applicants timely paid the required issue fee by submitting it to the United States Postal Service (USPS), addressed to the proper destination and bearing sufficient postage as first class

mail. However, the USPS did not deliver the issue fee to the Patent Office. Instead of delivering the issue fee to the destination address, the USPS returned it to Applicants in mutilated irradiated form, after the statutory deadline of three months from the mailing date of the Notice of Allowance.

In support of this Petition, Applicants hereby submit as Appendix A a copy of the issue fee and accompanying forms as mailed. Notably, a check for the proper amount of the issue fee was submitted as shown, and the envelope was postmarked with a date of April 25, 2005, one week before the deadline of May 2, 2005. Furthermore, the envelope and its contents were mutilated, and were returned marked "NOT DELIVERABLE AS ADDRESSED" despite bearing the proper destination address. Applicants also attach the Declaration of Ronald L. Yin attesting to these facts.

As the envelope was not returned until after the three-month deadline had passed, and was returned despite having the correct destination address and postage, Applicants respectfully submit that the delay was unavoidable pursuant to 37 C.F.R. § 1.137(a). Pursuant to 37 C.F.R. § 1.17(l), Applicants also enclose a check for the full amount of the issue fee.

CONCLUSION

In view of the above, it is respectfully submitted that this Petition be granted, and the above-identified application be revived.

The Examiner is invited to call Applicant's attorney at the number below in order to speed the prosecution of this application.

The Commissioner is authorized to charge any deficiencies in fees and credit any overpayment of fees to **Deposit Account No. 07-1896**.

Respectfully submitted,
